The Phoenix Restaurant is a fine dining restaurant with international, Mediterranean and local influences where our award winning chefs are renowned both for the quality of their preparation and their imaginative presentation, making every visit a gastronomic feast.

In addition to our á la carte menu, during our open weekend, our executive chef Victor Borg, has created a special menu with a selection of wines suggested by sommelier Silvio Tonna to complement every course. All diners will be given the opportunity to taste a selection of wines which will be available at promotional prices.

BRASSERIE

The Pegasus Brasserie is a great place to escape for an informal and relaxing meal. The á la carte which is changed seasonally features mainly Mediterranean dishes, with some French and Maltese, as well as an assortment of delicious desserts. Popular for business lunches as well as for pre-theatre dining, it has also become trendy for office get-togethers with a sense of fun. Our new á la carte will be available during the open weekend and a selection of wines will be available at promotional prices.
